

HAWORTH

# Intuity

Benching

Intuity® benching makes it easy to design an engaging and dynamic collaborative environment that supports a variety of workstyles. The simple kit of durable, agile parts and add-ons enable quick and simple changes. In smaller footprints, Intuity optimizes real estate investments while improving efficiency.

**Certifications**

- BIFMA LEVEL 3 Certified
- GREENGUARD Certified
- FSC Certified

**Features**

- Creates a variety of space-saving configurations
- Helps maintain a balance between collaboration and individual work in higher-density workspaces
- Easy to install and adapt to changing needs
- Add-on kits allow quick, easy bench extension and additional configurations
- Rectangular and 120° worksurfaces
- Split, full-access hatch for access to power and data at the rear of the worksurface
- Steel leg design in angled or straight profiles
- Screens provide a level of privacy; fabric, markerboard, laminate, wood, and glass
- Bench ends create collaborative areas
- Rich array of surface materials, colors, and finishes
- Part of Haworth's Integrated Palette™
